

# **ANIMAL LOVERS NEEDED TO SAVE OHIO'S BOBCATS**

**The Ohio Division of Wildlife is soon voting to open trapping and killing of Ohio's bobcats, just removed from the Endangered Species List. It is being proposed simply to "provide a recreational opportunity," and to allow trappers to sell their pelts on the market.**

## **WHAT EVERYONE CAN DO:**

- 1. Leave an opposition comment at <http://bit.ly/1Ff1ewC> it takes 60 seconds.**
- 2. Leave a voice message for Gov. Kasich this week at 614-466-3555.**
- 3. Tell all like-minded family and friends (the Wildlife Council is a group of hunters and trappers who WILL pass this legislation if we don't give the animals a voice).**

# **WHAT WE REALLY NEED!**

**As many people as possible to show up early, LOUD in protest, carrying signs and drawing media attention to the Wildlife Hearing on Monday, April 23rd at 2 PM at 1500 Dublin Road, Columbus, OH.**

**There's never been a better reason to miss an afternoon of classes or work.**

**It is time for a new day. NO LONGER is torturing and killing innocent victims for pleasure or profit acceptable.**

**OHIO: We need this to GET BIG and GO VIRAL. Share it!**

**If you intend to make the hearing, email [jeffcrecelius001@gmail.com](mailto:jeffcrecelius001@gmail.com) for doughnut planning and correspondence.**
